S. 59, 228 ast Fifty-seventh street.

"The United States," by A. Franklin Ross, at P. S. 62, Hester and Essex streets; illustrated.

"Art in Relation to Life," by Mr. Vincenzo Miserendino, at P. S. 90, 225 West it was there that her worldwide fame began.

To The New York Herald: What began.

Not long before we seet her she had sung with that quartet of famous singers at the funcral services for Rossing. The clark of the world the visitor from the great West 147th street. 147

be hoped Congress will soon find time to take up the question of the relief of the retired officers of the army, navy and marine corps.

A large proportion of these officers were retired for physical disability incurred in the line of duty with rank as you as Lieutenant in the navy or Captain in the army, and it is absolutely impossible under present conditions for them to support themselves and authors for her elaborate dimers and juncheons, which demonstrated that besides the gift of a wonderful removed them to support themselves and their families on their small retired allows.

The them to support themselves and their families on their small retired allows.

EMMA H. EAMES.

To make conditions still harder those in the naval service are forbidden by law to take employment with any company that has a Government contract, where we wish to warn those who have been in the habit of carrying lique.

**Swanson is leaving for the clies to page to take up that has a Government contract.
